6. Notification of changes to holdings

- (a) Subject to Article 26 and except in respect of an allotment or transfer of a share in accordance with the Regulations, every member shall be entitled without payment to receive within two months after allotment or lodgement of a properly stamped transfer (unless the conditions of issue provide for a longer period) one certificate for all the shares of each class held by him or several certificates each for one or more of his shares upon payment for every certificate after the first of such reasonable sum as the Directors may determine provided that the Company shall not be bound to issue more than one certificate for shares held jointly by several persons and delivery of a certificate to one joint holder shall be a sufficient delivery to all of them. Every certificate shall be sealed with the Seal and shall specify the number, class and distinguishing numbers (if any) of the shares to which it relates and the amount or respective amounts paid up thereon. The Company shall not be required to register more than four persons as joint holders of any share (except in the case of executors or trustees of a deceased member).

8. Balance and Exchange Certificates

- (a) Where some only of the shares comprised in a share certificate are transferred the old certificate shall be cancelled and a new certificate for the balance of such shares shall be issued in lieu without charge.

- (c) If a share certificate is defaced, worn-out, lost, stolen or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity and payment of any exceptional expenses incurred by the Company in investigating evidence as the Directors may determine but otherwise free of charge, and (in the case of defacement or wearing-out) on delivery up of the old certificate.

9. Uncertificated Securities

- (a) Subject to the provisions of the Regulations, the board may permit the holding of shares in any class of shares in uncertificated form and the transfer of title to shares in that class by means of a Relevant System and may determine that any class of shares shall cease to be a participating security.
- (b) Shares in the capital of the Company that fall within a certain class shall not form a separate class of shares from other shares in that class because any share in that class is held in uncertificated form or is permitted in accordance with the Regulations to become a participating security (as defined in the Regulations).

- (c) Where any class of shares is a participating security (as defined in the Regulations) and the Company is entitled under any provision of the Acts, the Regulations or these Articles to sell, transfer or otherwise dispose of, forfeit, re-allot, accept the surrender of or otherwise enforce a lien over a share held in uncertificated form, the Company shall be entitled, subject to the provisions of the Companies Acts, the Regulations, these Articles and the facilities and requirements of the relevant system:
- (i) to require the holder of that uncertificated share by notice to change that share into certificated form within the period specified in the notice and to hold that share in certificated form so long as required by the Company;
 - (ii) to require the holder of that uncertificated share by notice to give any instructions necessary to transfer title to that share by means of the relevant System within the period specified in the notice;
 - (iii) to require the holder of that uncertificated share by notice to appoint any person to take any step, including without limitation the giving of any instructions by means of the relevant system, necessary to transfer that share within the period specified in the notice;
 - (iv) to require the Operator to convert that uncertificated share into certificated form in accordance with the Regulations; and
 - (v) to take any action that the board considers appropriate to achieve the sale, transfer, disposal, forfeiture, re-allotment or surrender of that share or otherwise to enforce a lien in respect of that share.

- (a) Subject to the provisions of the Statutes, the rights attached to any class of shares for the time being forming part of the capital of the Company may be varied or abrogated, either while the Company is a going concern or during or in contemplation of a winding-up, with the consent in writing of the holders of three- fourths of the issued shares of the class, or with the sanction of a special resolution passed at a meeting of the holders of the shares of the class.
- (b) The rights conferred upon the holders of any shares or class of shares shall not, unless otherwise expressly provided in the rights attaching to or the terms of issue of such shares, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith or subordinate thereto.

CALLS ON SHARES

11. Making of calls

- (a) The Board may from time to time make such calls as the Board may think fit upon the Members in respect of the amounts unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment made payable at fixed times.
- (b) Any call may be made payable either in one sum or by instalments, and each Member upon whom a call is made shall be liable to pay the amount of the call to the person and at the time or times and place appointed by the Board.

A call may be revoked in whole or part or the time fixed for its payment may be postponed by the Board. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect whereof the call was made.

12. Time of call

A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed.

13. Liability of Joint Holders

Joint holders of a share shall be jointly and severally liable for the payment of all calls in respect thereof.

14. Power to Differentiate

The Board may make arrangements on the issue of shares for a difference between the allottees or holders of such shares in the amount of calls to be paid and the time of payment of such calls.

15. Terms of Issue

Any sum which by the terms of issue of a share is made payable upon allotment or at any fixed date (whether on account of the nominal value of the share or by way of premium) shall for all purposes of these Articles be deemed to be a call duly made and payable on such fixed date, and in case of non-payment all the provisions of these Articles as to payment of interest, forfeiture or otherwise shall apply as if such sum were a call duly made and notified.

16. Interest on Calls

- (a) If any sum in respect of a call is not paid before or on the day appointed for payment thereof the person from whom the sum is due shall pay interest on the sum from the day appointed for the payment thereof to the time of actual payment, at such reasonable rate as the Board may determine, or failing such determination, at the rate of 10 per cent per annum, and shall also pay all expenses that may have been incurred by the Company by reason of the non-payment of such sum, but the Board may waive payment of such interest and expenses in whole or in part.
- (b) The Board may, if they think fit, receive from any Member willing to advance the same all or any part of the moneys payable in respect of any shares held by him beyond the amount of the calls actually made thereon; and upon the moneys so advanced, or so much thereof as shall from time to time exceed the amount of the calls due upon such shares, the Company may pay interest at such rate not exceeding 10 per cent per annum as the Member and the Board shall agree upon, but no part of such moneys shall be included or taken into account in ascertaining the amount of the dividend payable upon the shares in respect of which such advance has been made.

FORFEITURE

17. Notice Requiring Payment

If any Member fails to pay the whole or any part of any call on or before the day appointed for the payment thereof the Board may, at any time thereafter during such time as the call or any part thereof remains unpaid, serve a notice on him requiring him to pay such call or such part thereof as remains unpaid, together with any interest which may have accrued.

18. Forfeiture

- (a) The notice specified in Article 17 above shall name a further day (not being less than fourteen days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time and at the place appointed the shares in respect of which the call was made will be liable to be forfeited.
- (b) If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends and other moneys payable in respect of the forfeited shares and not actually paid before the forfeiture. The Director may accept a surrender of any share liable to be forfeited hereunder.
- (c) Where the Company is entitled under any provision of the Statutes or the rules of the Relevant System or under these Articles to dispose of, forfeit, enforce a lien over or otherwise procure the sale of any shares or fractions of a share which are held in uncertificated form, the Directors shall have the power (subject to the extent permitted by the Regulations and the rules and practices of the Relevant System) to take such steps as may be required, by instruction by means of the Relevant System or otherwise, to effect such disposal, forfeiture, enforcement or sale and such powers shall (subject as aforesaid) include the right to:
 - (i) request or require the deletion of any computer based entries in the Relevant System relating to the holding of such shares in uncertificated form; and/or
 - (ii) alter such computer-based entries so as to divest the registered holder of such shares of the power to transfer such shares to a person other than the transferee, purchaser or his nominee identified by the Company for this purpose; and/or
 - (iii) require any holder of any uncertificated shares which are subject to any exercise by the Company of any such entitlement, by notice in writing to the holder concerned, to change his holding of such uncertificated shares into certificated form within such period as may be specified in the notice prior to completion of any disposal, sale or transfer of such shares or direct the holder to take such steps as may be necessary to sell or transfer such shares; and/or
 - (iv) appoint any person to take such other steps in the name of the holder of such shares and such steps shall be as effective as if they had been taken by the registered holder of the uncertificated shares concerned.

19. Power of Disposal

A forfeited share may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the Board thinks fit, and at any time before sale, re-allotment or

disposition the forfeiture may be cancelled on such terms as the Board thinks fit, but so that unless such share shall have been previously disposed of the Board shall cancel the same not later than three years from the date of forfeiture.

20. **Effect of Forfeiture**

A person whose shares have been forfeited or cancelled shall cease to be a Member in respect of such shares and shall surrender to the Company for cancellation the certificate for the shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares with interest at the rate at which interest was payable on those moneys before the forfeiture or, if no interest was so payable, at a rate not exceeding 20 per cent per annum, to be determined by the Board from the date of forfeiture until payment, but the Board may waive payment wholly or in part or enforce payment without any allowance for the value of the shares at the time of forfeiture or for any consideration received on their disposal.

21. **Statutory Declaration**

A statutory declaration that the declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. The Company may receive the consideration, if any, given for the share on any sale, re-allotment or disposition thereof and the Board may authorise some person to execute a transfer of the share in favour of the person to whom the share is sold or otherwise disposed of and he shall thereupon be registered as the holder of the share, and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, re-allotment or other disposal of the share.

LIEN

22. **Extent of Lien**

The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys, whether immediately payable or not, called or payable at a fixed time in respect of such share. The Company's lien (if any) on a share shall extend to all dividends and other moneys payable thereon or in respect thereof. Unless otherwise agreed, the registration of a transfer of any share shall operate as a waiver of the Company's lien (if any) on such share.

23. **Power of Sale**

The Company may sell, in such manner as the Board think fit, any share on which the Company has a lien, but no sale shall be made unless a sum in respect of which the lien exists is immediately payable, nor until the expiration of fourteen days after a notice in writing, stating and demanding payment of such sum and giving notice of intention to sell in default, shall have been given to the holder for the time being of the share, or to the person entitled by reason of his death or bankruptcy or otherwise by operation of law to the share.

24. **Proceeds of Sale**

The net proceeds of such sale, after payment of the costs of such sale, shall be applied in or towards payment or satisfaction of any sum immediately payable in respect whereof the lien exists, and any residue shall (upon surrender to the Company

for cancellation of the certificate for the share sold and subject to a like right to retain in respect of any moneys not immediately payable as the lien existing on the share prior to the sale) be paid to the person registered as holder of the share at the time of the sale

25. Power to Effect Transfer

For giving effect to any such sale the Board may authorise some person to transfer the share sold to the purchaser thereof. The purchaser shall be registered as the holder of the share so transferred and shall not be bound to see to the application of the purchase money, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the sale. A statutory declaration that a declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly sold pursuant to Article 19 on a date stated in the declaration, shall be conclusive evidence of the facts thereon stated as against all persons claiming to be entitled to the share.

TRANSFER OF SHARES

26. Instrument of Transfer

Shares in the Company shall be transferred by instrument of transfer in any usual or common form, or in such other form as shall be approved by the Board. The instrument of transfer of a share (which need not be under seal) shall be signed by or on behalf of the transferor, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Provided that in the case of a partly paid share the instrument of transfer must also be signed by or on behalf of the transferee. A share held in uncertificated form may only be transferred in accordance with the Regulations.

27. Refusal to Register Transfers

- (a) The Board may, in their absolute discretion and without giving any reason, refuse to register a transfer of any share which is not fully paid up, subject to a lien, relates to more than one class of shares, is in favour of more than 4 joint holders as transferees or is to a minor.
- (b) The Board may also refuse to recognise any instrument of transfer unless it is duly stamped, is deposited at the Office or such other place as the Board may appoint, and is accompanied by the certificate for the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer.

28. Procedure on Refusal

If the Board refuse to register a transfer of any share they shall within two months after the date on which the transfer was lodged with the Company send to the transferee notice of the refusal.

29. Absence of Registration Fees

The Company shall not charge any fee in respect of the registration of any transfer, probate, letters of administration, certificate of marriage or death, power of attorney, stop notice, order of court or other document relating to or affecting the title to any share.

30. Closing of Transfer Books

The registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine, and either generally or in respect of any class of shares, provided always that such registration shall not be suspended for more than thirty days in any year. In the case of a share held in uncertificated form, the registration of transfers may only be suspended in accordance with the Regulations.

31. Renunciation of Allotment

Nothing in these Articles shall preclude the Board from recognising renunciation of any share by the allottee thereof in favour of some other person. Subject to Article 32 below, all instruments of transfer which are registered shall be retained by the Company but any instrument of transfer which the Directors refuse to register shall (except in the case of fraud) be returned to the person depositing the same.

32. Retention of Transfer Instruments

The Company shall be entitled to destroy all instruments of transfer of shares and all documents on the faith of which entries have been made in the Register at any time after the expiration of six years from the date of registration thereof, and all dividend mandates and notifications of change of name or address at any time after the expiration of two years from the date of the recording thereof, and all share certificates which have been cancelled at any time after the expiration of one year from the date of such cancellation, and it shall conclusively be presumed in favour of the Company that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective document duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided that:-

- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any document earlier than as aforesaid or in any other circumstances in which liability would not attach to the Company in the absence of this Article; and
- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

TRANSMISSION OF SHARES

33. Death of a Member

In the case of the death of a Member the survivors or survivor where the deceased was a joint holder, and the legal personal representatives of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having any title to his interest in any share; but nothing contained in this Article shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with any other person.

34. Transmission on Death or Bankruptcy

Any person becoming entitled to a share in consequence of the death or bankruptcy of any Member may, upon such evidence of his title being produced as may from time to time be required by the Board (but subject to the provisions hereinafter contained), elect either to be registered himself as a Member in respect of the share or to have some person nominated by him registered as transferee thereof. Any person becoming so entitled to Shares shall be subject to the provisions of these Articles (as same may from time to time be amended) as if he were the holder of the shares concerned.

35. Rights before Registration

- (a) If the person so becoming entitled shall elect to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he shall elect to have another person registered he shall testify his election by executing a transfer of the share to that person. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by that Member.
- (b) A person entitled to a share in consequence of the death or bankruptcy of a Member shall be entitled to receive and may give a discharge for all dividends and other moneys payable in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at any meeting, or (save as aforesaid) to exercise any of the rights and privileges of a Member, unless and until he shall have become a Member in respect of the share: Provided that the Board may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days the Board may thereafter withhold payment of all dividends or other moneys payable in respect of the share until the requirements of the notice have been complied with.

UNTRACED SHAREHOLDERS

36. Untraced Shareholders

- (a) The Company shall be entitled to sell at the best price reasonably obtainable at the time of sale the shares of a Member or the shares to which a person is entitled by virtue of transmission on death or bankruptcy if and provided that:-
 - (i) for a period of twelve years no cheque or warrant sent by the Company through the post in a pre-paid letter addressed to the Member or to the person entitled by transmission to the shares at his address on the Register or other the last known address given by the Member or the person entitled by transmission to which cheques and warrants are to be sent has been cashed and no communication has been received by the Company from the Member or the person entitled by transmission provided that in any such period of twelve years the Company has paid at least three dividends whether interim or final and no such dividend has been claimed; and
 - (ii) the Company has at the expiration of the said period of twelve years by advertisement in both a leading Irish daily newspaper and in a newspaper circulating in the area in which the address referred to in

sub-paragraph (a)(i) of this Article is located given notice of its intention to sell such shares; and

- (iii) the Company has not during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale received any communication from the Member or person entitled by transmission;
- (b) To give effect to any such a sale the Company may appoint any person to execute as transferor an instrument of transfer of the said shares and such instrument of transfer shall be as effective as if it had been executed by the registered holder of or person entitled by transmission to such shares and the title of the transferee shall not be affected by any irregularity or invalidity in the proceedings relating thereto. The Company shall account to the former Member or other person previously entitled as aforesaid for the net proceeds of such sale by carrying all monies in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such former Member or other person. No interest shall be payable in respect of the same and the Company shall not be required to account for any money earned on the net proceeds, which may be employed in the business of the Company or invested in such investments (other than shares of the Company or its holding company if any) as the Board may from time to time think fit.
- (c) In any case where the registered address of a Member or an address supplied for the purpose of dividend payments pursuant to Article 36 by a person (in this Article called a "transmittee") entitled to a share upon the death or bankruptcy of a Member, appears to the Directors to be incorrect or out of date, such Member or transmittee shall, if the Directors so resolve be treated for the purposes of these Articles as if he had no registered address, or, as the case may be, had failed to supply an address for the purposes of dividend payments pursuant to Article 36 provided that the Directors shall not so resolve unless on at least three consecutive occasions dividend warrants sent to such Member or transmittee through the post to his registered address or to the address supplied pursuant to Article 36 have been returned undelivered or have been left uncashed. A Member or transmittee who has in accordance with the provisions of this paragraph (c) been treated as having no registered address or address supplied pursuant to Article 36 shall nevertheless be entitled (subject to the provisions of these Articles) to reclaim the arrears of dividend and instruct the Company to recommence sending dividend warrants to him.

ALTERATION OF CAPITAL

37. Increase of Capital

- (a) The Company may by Ordinary Resolution increase its capital by such sum, to be divided into shares of such amount, as the resolution shall prescribe.
- (b) All new shares shall be subject to the provisions of these Articles with reference to allotment, the payment of calls, forfeiture, lien, transfer, transmission and otherwise.
- (c) Without prejudice to any rights or privileges for the time being conferred on the holders of any existing shares or class of shares, any shares in the present capital of the Company and any new shares may be issued with such preferred, deferred or other rights or such restrictions, whether in regard to dividend, return of capital, voting or otherwise, as the Company may from time to time by Ordinary Resolution determine (or in the absence of such determination as the

Board may determine). Any share may be issued on terms that it is, or at the option of the Company or the holder is to be liable, to be redeemed on such terms and in such manner as the Company (or the Board as aforesaid) may in accordance with the provisions of the Statutes prescribe and the Company may cancel any shares so redeemed or hold them as Treasury Shares with liberty to reissue any such share or shares as shares of any class or classes.

38. **Consolidation, Sub-division and Cancellation of Capital**

The Company may by Ordinary Resolution:

- (a) consolidate and divide all or any of its shares into shares of larger amount;
- (b) subject to the provisions of the Statutes, including Section 83 (1)(b) of the Act sub-divide any of its shares into shares of smaller amount and the resolution may determine that, as between the holders of the shares resulting from the sub-division, one or more of such shares may as compared to the others have any such preferred, deferred or other special rights or be subject to any such restrictions, as the Company has power to attach to unissued or new shares; or
- (c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled;

and subject to the provisions of the Statutes the Company may also by Special Resolution:

- (d) reduce its share capital and any capital redemption reserve and any share premium account or undenominated capital in any manner authorised by the Statutes;

and the Company may also by Ordinary Resolution or Special Resolution, as the case may require:

- (e) purchase its own shares (including any redeemable shares) in any manner authorised by the Statutes.

39. **Fractions on Consolidation**

- (a) Whenever as the result of any consolidation, division or sub-division of shares any difficulty arises, the Board may settle it as it thinks fit, and in particular (but without prejudice to the generality of the foregoing) where the number of shares held by any holder is not an exact multiple of the number of shares to be consolidated into a single share and as a result of such consolidation such holder would become entitled to a fraction of a consolidated share:
 - (i) the Board may determine which of the shares of such holder are to be treated as giving rise to such fractional entitlement and may decide that any of those shares shall be consolidated with any of the shares of any other holder or holders which are similarly determined by it to be treated as giving rise to a fractional entitlement for such other holder or holders, into a single consolidated share and the Board may, on behalf of all such holders, sell such consolidated share for the best price reasonably obtained to any person (including, subject to the provisions of the Statutes, the Company) and distribute the net proceeds of sale after deduction of the expenses of sale in due proportion among those holders (except that any amount otherwise due to a holder, being less than €6

or such other sum as the Board may from time to time determine, may be retained for the benefit of the Company); or

- (ii) provided that the necessary unissued shares are available, the Board may issue to such holder credited as fully paid by way of capitalisation the minimum number of shares to be consolidated into a single share (such issue being deemed to have been effected prior to consolidation); and the amount required to pay up such shares shall be appropriated at the Board's discretion from any of the sums standing to the credit of any of the Company's reserve accounts (including share premium account, undenominated capital or capital redemption reserve) or to the credit of profit and loss account and capitalised by applying the same in paying up the share. In relation to such a capitalisation the Board may exercise all the powers conferred on it by Article 116 without first passing an Ordinary Resolution of the Company.

- (b) For the purposes of any sale of consolidated shares pursuant to Article 39(a), the Board may authorise some person to execute an instrument of transfer of the shares to, or in accordance with, the directions of the purchaser, and the transferee shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale;

40. **Annual General Meetings**

The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year, and shall specify the meeting as such in the notices calling it. Pursuant to the Acts, at least twenty-one clear days, notice is required prior to each annual general meeting. A copy of the statutory financial statements of the Company (including every document required by law to be annexed thereto) which is to be laid before the annual general meeting of the Company together with a copy of the directors' report and auditor's report shall be sent, by post, electronic mail, or any other means of Electronic Communication not less than 21 clear days before the date of the annual general meeting to every person entitled under the provisions of the Act to receive them provided that in the case of those documents sent by electronic mail or any other means of Electronic Communication, such documents shall be sent with the consent of the recipient to the address of the recipient notified to the Company by the recipient for such purposes.

41. **Extraordinary General Meetings**

All general meetings other than annual general meetings shall be called extraordinary general meetings. All business shall be deemed special that is transacted at an extraordinary general meeting, and also all that is transacted at an annual general meeting, with the exception of declaring a dividend, the consideration of the Company's statutory financial statements and report of the Directors and the report of the auditors, the review by the members of the Company's affairs, the election of Directors in the place of those retiring, the re-appointment of the retiring Auditors (subject to Sections 380 and 382 to 385 of the Act) and the fixing of the remuneration of the Auditors.

42. **Convening General Meetings**

The Directors may convene general meetings. General meetings may also be convened on such requisition, or in default may be convened by such requisitionists and in such manner as may be provided by the Acts.

43. Notice of General Meetings

- (a) Subject to the provisions of the Acts allowing a general meeting to be called by shorter notice, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least twenty-one clear days' notice and all other extraordinary general meetings shall be called by at least fourteen clear days' notice.
- (b) Any notice convening a general meeting shall specify the time and place of the meeting and the general nature of the business to be transacted. It shall also give particulars of any Directors who are to retire by rotation or otherwise at the meeting and of any persons who are recommended by the Directors for appointment or re- appointment as Directors at the meeting, or in respect of whom notice has been duly given to the Company in accordance with Article 81 of the intention to propose them for appointment or re- appointment as Directors at the meeting. Subject to any restrictions imposed on any shares, the notice shall be given to all the members, to all persons entitled to a share by reason of the death or bankruptcy of a member and to the Directors and the Auditors.
- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- (d) Where, by any provision contained in the Acts, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Acts permit) before the meeting at which it is moved, and the Company shall give to the Members notice of any such resolution as required by and in accordance with the provisions of the Acts.

PROCEEDINGS AT GENERAL MEETINGS

44. Quorum for General Meetings

- (a) No business other than the appointment of a chairman shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Except as provided in relation to an adjourned meeting, three persons entitled to vote upon the business to be transacted, each being a Member or a proxy for a Member or a duly authorised representative of a corporate Member, shall be a quorum.
- (b) If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, one person entitled to be counted in a quorum present at the meeting shall be a quorum.

45. Chairman of General Meetings

- (a) The chairman of the Board or, in his absence, the deputy chairman (if any) or, in his absence, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company. If at any

general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be chairman of the meeting and, if there is only one Director present and willing to act, he shall be chairman.

- (b) If at any meeting no Director is willing to act as chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Members present and entitled to vote shall choose one of their number to be chairman of the meeting.
- (c) If it appears to the chairman of the meeting that the meeting place specified in the notice convening the meeting is inadequate to accommodate all Members entitled and wishing to attend, the meeting is duly constituted and its proceedings valid if the chairman is satisfied that adequate facilities are available to ensure that a Member who is unable to be accommodated is able to: participate in the business for which the meeting has been convened; and hear and see all persons present who speak (whether by the use of microphones, loud-speakers, audio-visual communication equipment or otherwise), whether in the meeting place or elsewhere; and be heard and seen by all other persons present in the same way.

46. **Director's and Auditors' Right to Attend General Meetings**

A Director shall, notwithstanding that he is not a Member, be entitled to receive notice of and to attend and speak at any general meeting and at any separate meeting of the holders of any class of shares in the Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

47. **Adjournment of General Meetings**

The Chairman may, with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Board. When a meeting is adjourned for fourteen days or more or sine die, at least seven clear days' notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjournment.

48. **Determination of Resolutions**

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Unless a poll is so demanded by persons so entitled, a declaration by the Chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may, before the poll is taken, be withdrawn but only with the consent of the Chairman and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

49. **Entitlement to Demand Poll**

- (a) Subject to the provisions of the Acts, a poll may be demanded:-
 - (i) by the chairman of the meeting;
 - (ii) by at least three Members present (in person or by proxy) having the right to vote at the meeting;
 - (iii) by any Member or Members present (in person or by proxy) representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or
 - (iv) by a Member or Members present (in person or by proxy) holding shares in the Company conferring the right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.
- (b) The Chairman of the meeting shall be required to call a poll in respect of a resolution if it is reasonably apparent that a poll on such resolution would result in a different result to vote by way of a show of hands on such resolution.

50. **Taking of a Poll**

- (a) Save as provided in Article 50(b) a poll shall be taken in such manner as the Chairman directs and he may appoint scrutineers (who need not be Members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the result of the resolution at the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- (c) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting in respect of which it is demanded. In any other case at least seven clear days' notice shall be given specifying the time and place at which the poll is to be taken.
- (d) On a poll a Member entitled to more than one vote need not cast all his votes or cast all the votes which he has in the same way.

51. **Votes of Members**

Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any class or classes of shares, on a show of hands every Member present in person and every proxy shall have one vote, so, however, that no individual shall have more than one vote, and on a poll every Member present in person or by proxy shall have one vote for every share of which he is the holder.

52. **Chairman's Casting Vote**

Where there is an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall have a casting vote in addition to any other vote he may have.

53. **Voting by Joint Holders**

Where there are joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share shall be accepted to the exclusion of the votes of the other joint holders; and for this purpose, seniority shall be determined by the order in which the names of the holders stand in the Register in respect of the share.

54. **Voting by Incapacitated Holders**

- (a) If at any time the Directors shall determine that a Specified Event (as defined by Article 56(g)) shall have occurred in relation to any share or shares, the Directors may serve a notice to such effect on the holder or holders thereof. Upon the expiry of 14 days from the service of any such notice (in these Articles referred to as a "Restriction Notice"), for so long as such Restriction Notice shall remain in force:
 - (i) no holder or holders of the share or shares specified in such Restriction Notice (in these Articles referred to as "Specified Shares") shall be entitled to attend, speak or vote either personally, by representative or by proxy at any general meeting of the Company or at any separate general meeting of the holders of the class of shares concerned or to exercise any other right conferred by membership in relation to any such meeting; and

- (c) The Directors shall cause a notation to be made in the Register against the name of any holder or holders in respect of whom a Restriction Notice shall have been served indicating the number of the Specified Shares and shall cause such notation to be deleted upon cancellation or cesser of such Restriction Notice.
- (d) Any determination of the Directors and any notice served by them pursuant to the provisions of this Article shall be conclusive as against the holder or holders of any share and the validity of any notice served by the Directors in pursuance of this Article shall not be questioned by any person.
- (e) If, while any Restriction Notice shall remain in force in respect of any Specified Shares, any further shares shall be issued in respect thereof pursuant to a capitalisation issue made in pursuance of these Articles, the Restriction Notice shall be deemed also to apply in respect of such further shares which shall as from the date of issue thereof form part of the Specified Shares for all purposes of this Article.
- (f) On the cancellation of any Restriction Notice the Company shall pay to the holder (or, in the case of joint holders, the first named holder) on the Register in respect of the Specified Shares as of the record date for any such dividend so withheld, all such amounts as have been withheld pursuant to the provisions of this Article subject always to the provisions of Article 104 which shall be deemed to apply, mutatis mutandis, to any amount so withheld.

The Directors may in addition prescribe the method of determining the time at which any such properly authenticated dematerialised instruction (and/or other instruction or notification) is to be treated as received by the Company or such participant. The Directors may treat any such uncertificated proxy instruction which purports to be or is expressed to be sent

by the holder of a share as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that holder. In this Article 58 words and expressions shall have the same respective meanings as in the Regulations.

59. Deposit of Appointment of Proxy

- (a) The appointment of a proxy and any authority under which it is executed or a copy, certified notarially or in some other way approved by the Directors, shall be deposited, at the Office, or at such other place or one of such other places (if any) as may be specified for that purpose in or by way of note to the notice convening the meeting (or any instrument of proxy sent out by the Company in relation to the meeting):

Provided that:
 - (i) in the case of a meeting which is adjourned to, or a poll which is to be taken on, a date which is less than seven days after the date of the meeting which was adjourned or at which the poll was demanded, it shall be sufficient if the appointment of a proxy and any such authority and certification thereof as aforesaid is lodged with the Secretary at the commencement of the adjourned meeting or the taking of the poll; and

61. **Effect of Revocation of Proxy**

is no Assistant or Deputy Secretary capable of acting, by or to any officer of the Company authorised generally or specially in that behalf by the Board:

Provided that any provision of these Articles or the Statutes requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in place of, the Secretary.

The Board may also without placing the same to reserve carry forward any profits which they may think prudent not to divide.

DIVIDENDS

104. Declaration of Dividends

- (a) The Company may by Ordinary Resolution declare dividends to be paid to the Members in respect of the Shares but no dividend shall exceed the amount recommended by the Board. For the avoidance of doubt, dividends may be paid on shares of one class and not on shares of another class and/or in each case at different rates. Where a dividend is proposed to be paid otherwise than in cash to the holders of a class of share, and a Member indicates that he does not wish to receive same, the Company may declare and pay dividends in respect of the other shares in that class without paying any dividend on the shares of such Member.
- (b) Subject to the provisions of the Acts, the Directors may pay interim dividends if it appears to them that they are justified by the profits of the Company available for distribution. If the share capital is divided into different classes, the Directors may pay interim dividends on shares which confer deferred or non-preferred rights with regard to dividend as well as on shares which confer preferential rights with regard to dividend, but no interim dividend shall be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear. Subject as aforesaid the Directors may also pay at intervals settled by them any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment. Provided the Directors act in good faith they shall not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on any shares having deferred or non-preferred rights.

105. Apportionment of Dividends

Subject to the rights of persons (if any) entitled to shares with special rights as to dividend, all dividends shall be declared and paid according to the amounts paid up on the shares in respect whereof the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the shares; all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid, except that if any share is issued on terms providing that it shall rank for dividend as if paid up (in whole or in part) as from a particular date such share shall rank for dividend accordingly.

106. Fixed Dividends

Subject to the provisions of the Statutes if and so far as in the opinion of the Directors the profits of the Company justify such payments, the Directors may declare and pay the fixed dividends on any class of shares carrying a fixed dividend expressed to be payable on fixed dates on the half-yearly or other dates prescribed for the payment thereof, and may also from time to time declare and pay interim dividends on shares of any class of such amounts and on such dates and in respect of such periods as they think fit.

107. Divided in Specie

A general meeting declaring a dividend may, upon the recommendation of the Directors, direct that it shall be satisfied wholly or partly by the distribution of assets (and, in particular, of paid up shares, debentures or debenture stock of any other company or in any one or more of such ways) and the Directors shall give effect to

such resolution. Where any difficulty arises in regard to the distribution, the Directors may settle the same as they think expedient, and in particular may issue fractional certificates and fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all the parties and may vest any such specific assets in trustees.

108. **Deductions from Dividends**

The Board may deduct from any dividend or other moneys payable to any Member on or in respect of a share all sums of money (if any) immediately payable by him to the Company on account of calls in relation to the shares of the Company held by him.

109. **Unclaimed Dividends**

All dividends unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. If any dividend shall have remained unclaimed for at least twelve years after the same became payable the Board may forfeit the same, and after such forfeiture no Member or other person shall have any right to or claim in respect of such dividend. No dividend shall bear interest against the Company.

110. **Joint Holders**

Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.

111. **Payment**

- (a) Any dividend or other moneys payable on or in respect of a share may be paid by cheque or warrant sent through the post to the registered address of the Member or person entitled thereto and, in the case of joint holders to the first named of such joint holders or to such person and such address as the holder or joint holders may direct or by electronic transfer of funds to the bank, branch and account specified by the Member in writing. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such person as the holder or joint holders may direct and payment of the cheque or warrant shall be a good discharge to the Company. Every such cheque or warrant shall be sent and every electronic transfer shall be made at the risk of the person entitled to the money represented thereby.
- (b) The Directors may also, in circumstances which they consider appropriate, pay dividends in a currency other than Euro at a conversion rate to be selected by the Directors and arrange for payment of dividends by electronic funds transfer, bank transfer or by any other method selected by the Directors from time to time and in such event the debiting of the Company's account in respect of the appropriate amount shall be deemed a good discharge of the Company's obligations in respect of any payment made by any such methods.
- (c) If on at least three consecutive occasions, cheques, warrants, or transfers in respect of payment of dividends or other monies payable on or in respect of any share have been despatched in accordance with the provisions of this Article but have been returned undelivered or left uncashed or the transfers have been ineffective during the periods for which they were valid, the Company need not thereafter despatch further cheques or warrants or transfers in payment of dividends or other monies payable on or in respect of the share in question until the Member or other person entitled thereto shall have communicated with the

Company and supplied in writing to the Secretary an address or account details as appropriate for the purpose.

- (d) For the purposes of uncertificated shares, where the Company is authorised to do so by or on behalf of the holder or joint holders in such manner as the Company shall from time to time consider sufficient, the Company may also pay any such dividend, interest or other moneys by means of the Relevant System concerned (subject always to the facilities and requirements of that Relevant System). Every such payment made by means of the Relevant System shall be made in such manner as may be consistent with the facilities and requirements of the Relevant System concerned. Without prejudice to the generality of the foregoing, in respect of uncertificated shares, such payment may include the sending by the Company or by any person on its behalf of an instruction to the Operator of the Relevant System to credit the cash memorandum account of the holder or joint holders.

112. **Method of Payment of Dividend**

Any General Meeting declaring a dividend may direct payment of such dividend wholly or in part by the distribution of specific assets, and in particular of paid up shares or debentures of any other company, or in any one or more of such ways, and the Board shall give effect to such resolution, and where any difficulty arises in regard to the distribution they may settle the same as they think expedient, and in particular may issue fractional certificates and may fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees upon such trusts for the persons entitled to the dividend as may seem expedient to the Board.

113. **Dividends Not to Bear Interest**

No dividend or other moneys payable in respect of a share shall bear interest against the Company unless otherwise provided by the rights attached to the share.

CAPITALISATION OF RESERVES

114. **Reserves and Profits- Capitalisation**

- (a) The Company may by Ordinary Resolution, upon the recommendation of the Board and subject as hereinafter provided, resolve that it is desirable to capitalise any part of the undivided profits of the Company (whether or not the same are available for distribution) or any part of any sum for the time being standing to the credit of any of the Company's reserve accounts (including share premium account, undenominated capital or capital redemption reserve) and that the Board be accordingly authorised and directed to appropriate the profits or sum so resolved to be capitalised as capital to the Members in the proportion in which such profits or sum would have been divisible amongst them had the same been applied or been applicable in paying dividends on the shares held by them on such date as shall be fixed by or in accordance with such resolution, and to apply such profits or sum on their behalf, either in or towards paying up the amounts (if any) for the time being unpaid on any shares held by them respectively, or in the paying up in full of unissued shares or debentures of the Company of a nominal amount equal to such profits or sum, such shares or debentures to be allotted and distributed credited as fully paid up to and among such Members in the proportion aforesaid, or partly in one way and partly in the other: Provided always that the share premium account, undenominated capital or the capital redemption reserve and any profits which are not available for distribution may,

for the purposes of this Article, only be applied in the paying up of unissued shares to be allotted to Members as fully paid.

- (b) Whenever such a resolution as aforesaid shall have been passed the Board shall make all appropriations and applications of the undivided profits or sum resolved to be capitalised thereby, and all allotments and issues of fully paid shares or debentures (if any) and generally shall do all acts and things required to give effect thereto, with full power to the Board to make such provision (including provision whereby fractional entitlements are disregarded or the benefit thereof accrues to the Company instead of to the Members otherwise entitled) as they think fit for the case of shares or debentures becoming distributable in fractions, and also to authorise any person to enter on behalf of all the Members. entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any shares or debentures to which they may be entitled as the result of such capitalization, and any agreement made under such authority shall be effective and binding upon all such Members.

127. Distribution on winding up

- (a) If the Company shall be wound up the liquidator may, with the sanction of a Special Resolution of the Company and with any other sanction required by the Statutes, divide amongst the Members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not) and may for such purpose set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the Members or different classes of Members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as the liquidator, with the like sanction, shall think fit, but so that no Member shall be compelled to accept any shares or other securities whereon there is any liability.
- (b) If the Company shall be wound up and the assets available for distribution among the Members as such shall be insufficient to repay the whole of the paid up or credited as paid up share capital, such assets shall be distributed so that,

as nearly as may be, the losses shall be borne by the Members in proportion to the capital paid up or credited as paid up at the commencement of the winding up on the shares held by them respectively. If on a winding up the assets available for distribution among the Members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the Members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said shares held by them respectively. Provided that this Article shall not affect the rights of the holders of shares issued upon special terms and conditions.

INDEMNITY

128. Indemnity

- (a) Subject to the provisions of the Statutes, every Director, or other officer or Auditor of the Company shall be indemnified out of the assets of the Company against all costs, charges, expenses, losses and liabilities which he may sustain or incur in or about the execution of his office or otherwise in relation thereto including any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer or employee or agent of the Company and in which judgment is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the court.
- (b) To the extent permitted by the law the Directors may arrange insurance cover at the cost of the Company in respect of any liability, loss or expenditure incurred by any Director, or other officer or Auditor of the Company in relation to anything done or omitted to be done or alleged to have been done or omitted to be done as Director, Officer or Auditor.

 - (i) any person acquires, whether by a series of transactions over a period of time or not, interests in Shares which (taken together with interests in Shares held or acquired by persons acting in concert with him) carry 30% or more of the voting rights of the Company; or
 - (ii) any person who, together with persons acting in concert with him, holds interests in Shares representing not less than 30% but not more than 50% of the voting rights and such person, or any person acting in concert with him, acquires an interest in additional Shares which increase his percentage of the voting rights;

the Board shall be entitled, but not obliged, to require such person (other than a depository in its capacity as such) ("offeror") to extend an offer, on the basis set out in this Article 129, to the holders of all the issued Shares in the Company.

- (b) Any offer made under this Article must be conditional only upon the offeror having received acceptances in respect of Shares which, together with Shares acquired or agreed to be acquired before or during the offer, will result in the offeror and any person acting in concert with it holding Shares carrying more than 50% of the voting rights.
- (c) No acquisition of Shares which would give rise to a requirement for any offer under this Article may be made or (unless it is a transfer falling within Article 56(h)) registered if the making or implementation of such offer would or might be dependent on the passing of a resolution at any meeting of Members of the offeror or upon any other conditions, consents or arrangements.
- (d) Offers made under this Article must, in respect of each class of Share involved, be in cash or be accompanied by a cash alternative at not less than the highest price paid by the offeror or any person acting in concert with it for Shares of that class during the offer period and within 12 months prior to its commencement. The cash offer or the cash alternative must remain open after the offer has become or been declared unconditional as to acceptances for not less than 14 days after the date on which it would otherwise have expired.
- (e) No nominee of an offeror or persons acting in concert with it may be appointed as a director, nor may an offeror and persons acting in concert with it exercise the votes attaching to any Shares held in the Company until the offer document has been posted.
- (f) Any offer required to be made pursuant to this Article 129 shall be made on terms that would be required by the Takeover Rules, save to the extent that the Board otherwise determines. In relation to any offer required to be made pursuant to this Article 129, any matter which under the Takeover Rules would fall to be determined by the Irish Takeover Panel ("Panel") shall be determined by the Board in its absolute discretion or by such person appointed by the Board to make such determination.
- (g) Except with the consent of the Board, Members shall comply with the requirements of the Takeover Rules, as may from time to time be published by the Panel, in relation to any dealings in any Shares of the Company and in relation to their dealings with the Company in relation to all matters. Any matter which under the Takeover Rules would fall to be determined by the Panel shall be determined by the Board in its absolute discretion or by such person appointed by the Board to make such determination. Any notice which under the Takeover Rules is required to be given to the Panel or any person (other than the Company) shall be given to the Company at its registered office.
- (h) If at any time the Board is satisfied that any Member having incurred an obligation under this Article 129 to extend an offer to the holders of all issued Shares shall have failed to do so, or that any Member is in default of any other obligation imposed upon Members pursuant to this Article 129, then the Board may, in its absolute discretion at any time thereafter by notice (a "discretion notice") to such Members and any other Members acting in concert with such Members (together "defaulters") direct that:

personally or by proxy or to exercise any other right conferred by membership in relation to meetings of the Company;

- (ii) except in a liquidation of the Company, no payment shall be made of any sums due from the Company on the default shares, whether in respect of capital or dividend or otherwise, and the Company shall not meet any liability to pay interest on any such payment when it is finally paid to the Members; and
 - (iii) no other distribution shall be made on the default shares.
- (i) The Board may at any time give notice cancelling a discretion notice. (i) if an offer shall be made pursuant to this Article 129 and:

 - (ii) those Shares, with or without any other Shares which the offeror (together with persons acting in concert with him) holds or has acquired or contracted to acquire,

would result in the offeror (together with persons acting in concert with him) obtaining or holding an interest in Shares conferring in aggregate 75% or more of the voting rights conferred by all the Shares then in issue then the offeror shall make an offer ("Sell Out Offer") to all other holders of Shares in respect of all the Shares then in issue and held by them in respect of which the offer has not yet been accepted. The Sell Out Offer shall be made in writing, be at the same price and on the same terms as the offer and be capable of acceptance for a period of not less than 30 days after the date of the Sell Out Offer. Completion of the sale of Shares pursuant to any acceptances of the Sell Out Offer shall take place on the same date on which Shares are sold under the Offer (or, if later, within 7 days of expiry of the period for acceptances of the Sell Out Offer).

 - (ii) those Shares, with or without any other Shares which the offeror (together with persons acting in concert with him) holds or has acquired or contracted to acquire),

would result in the offeror (together with persons acting in concert with him) obtaining or holding an interest in Shares conferring in aggregate 90% or more of the voting rights conferred by all the Shares then in issue then the offeror shall be entitled to give a notice ("Squeeze Out Notice") to all other holders of Shares in respect of all the Shares then in issue and held by them in respect of which the offer has not yet been accepted. The Squeeze Out Notice shall be made in writing, be at the same price and on the same terms as the offer and be capable of acceptance for a period of not less than 30 days after the date of the Squeeze Out Notice.

Shares held by it and (b) shall become obliged to deliver to the purchaser an executed transfer of such Shares and (if it exists) the certificate(s) in respect of the same. Squeeze Out Notices shall be irrevocable but will lapse if for any reason there is not a sale of the Called Shareholders' Shares within 60 days after the date of service of the Squeeze Out Notice. Completion of the sale of Shares pursuant to a Squeeze Out Notice shall take place on the same date on which Shares are sold under the offer (or, if later, within 7 days of expiry of the period of acceptances under the Squeeze Out Notice.

The receipt of the Company for the consideration shall be a good discharge to the purchaser who shall not be bound to see to the application of it, and after such registration in exercise of the above powers the validity of the proceedings shall not be questioned by any person. The Company shall hold the said consideration on behalf of any such Member in a separate bank account on trust for the relevant Member pending delivery up of the cancelled certificate(s) (if such exist).
- (m) If any holder of Shares does not on completion of the sale of any Shares pursuant to this Article 129 execute transfer(s) in respect of all the Shares held by him the defaulting holder shall be deemed to have irrevocably appointed any person nominated for the purpose by the Company to be his agent and attorney to execute all necessary transfer(s) on his behalf and against receipt by the Company (on trust for such holder) of the purchase monies or any other consideration payable for the relevant Shares deliver such transfer(s) to the purchaser (or as he may direct) and the directors shall forthwith register the purchaser (or his nominee) as the holder thereof and, after the purchaser (or his nominee) has been registered as the holder, the validity of such proceedings shall not be questioned by any such person.
